		DEPARTMENT OF WATER SUPPLY **WATER FUND (Cont.)**			
		Additional meters for existing accessory dwellings may be requested at premises presently provided water service and, if granted, are subject to one half of the water system development fee.		14.07.070	
		Any applicant for a building permit for an accessory dwelling shall pay one half of the water system development fee for the size meter required to be installed. If the accessory dwelling is later subdivided from the premises, the applicant for the subdivision shall pay the balance of the water system development fee in effect at the time of subdivision upon proof of the initial one-half payment and, upon the director's request, will be required to relocate the meter.		14.07.080	
		Any applicant for a building permit for any structure shall be exempted from paying the water system development fee, upon proof presented, that the structure or the premises on which the structure is located does not require water service or additional water service from the department's system, or that the applicant or the applicant's predecessor in interest had already paid the required water system development fee.			
		Any temporary meter is exempt from the water system development fee.			
		Any application for water service within 36 months after removal under the procedures set forth in this title are exempt from the water system development fee.			
		In addition, any applicant for a water meter may be exempt from paying the full amount of the water system development fee as specifically set forth in the annual budget.
