		Additional meters may be requested for existing accessory dwellings on premises with water service. If the request is granted and does not result in an increase in average daily demand for the property, the additional meter will only be subject to the department's time and materials costs for the installation, as set in the annual budget.		14.07.070 14.07.080	
		If the premises are subdivided after the request for an additional meter has been granted, the average daily demand attributed to the accessory dwelling will be assigned to the parcel with the accessory dwelling and subtracted from the other parcel. The subdivider will be responsible for the cost of any required service relocation or increase in average daily demand resulting from the subdivision.			
		Any applicant for a building permit for any structure may be exempted from paying the water system development fee, upon proof presented, that: 1. The structure or the premises on which the structure is located does not require water service or additional water service from the department's system; 2. The applicant or the applicant's predecessor in interest had already paid the required water system development fee; or 3. The applicant or the applicant's predecessor in interest has already been granted the right to receive water service that is sufficient for the proposed use.			
		Any temporary meter is exempt from the water system development fee.			
		EXEMPTIONS. An applicant who is exempted from Chapter 14.12, under Subsection 14.12.030(E) or 14.12.030(F), may reserve an allocation of water before payment of the water system development fee by executing an agreement with the department that the water system development fee will be paid before final subdivision approval or the issuance of a certificate of occupancy.			
	Board of Water Supply Appeals Fees	Appeals .....$300 Filing Fee Fee for filing appeal may be refunded if board renders final decision and order authorizing refund in full or in part of filing fee.		14.11.030	
	Late Fees	Service charge to all late payments over 30 days.....1% per month	16-7 4(b)		
	Tenant Deposit	A tenant (including a lessee or licensee) may be required to provide a lump sum deposit equal to a two billing period estimate, as collateral for future billings.		14.10.010	
	Water Shortage Penalty	Violation of "Water Conservation and Control of Water Usage During Water Shortage" .....$750 per violation		14.06A.090	
		Reinstallment fee for water meter removed $100		14.06A.090
